# FABRICS

In the **DOGGURU** offer, you'll find products tailored to the needs and sizes of every pet. Thanks to our in-house tailoring workshop, we design and create original bed designs — not only in classic shapes like rectangles, squares, or circles, but also snuggle or cave-style beds. Our designers are constantly developing new and unique solutions to meet the expectations of both pets and their guardians. We use high-quality, tightly woven fabrics — many of which are also waterproof — to ensure durability and comfort.
